Kids Benefit From Having a Working Mom

Kids Benefit From Having a Working Mom. Women whose moms worked outside the home are more likely to have jobs themselves, are more likely to hold supervisory responsibility at those jobs, and earn higher wages than women whose mothers stayed home full time, according to research by Kathleen McGinn and colleagues.

Working Mothers—A False Dilemma | The Weaker Vessel

One of the key values in our feminist-ruled social order is women's professional achievement. Enabling women to achieve professionally has taken precedence, with the result being that women of all political stripes are mixing demanding careers with motherhood even while their children are young. Feminism has created the "working mother's dilemma" in which a woman...
