Denon POA 3000 service manual | AVForums

I need a service manual/schematic real bad for a Denon POA 3000 class A amplifier. I was able to find and replace a Final Power Amplifier transistor pair in the right channel, but still have other problems. Seems like now everytime I power-up to compare channel voltages, something explodes and smokes ...

DENON/COLUMBIA POA

DENON POA-3000 : 350,000yen(1979 release) Description Stereo power amplifier which carries DENON class A which studied Class-A operation thoroughly and was born. DENON class A by a real bias circuit original with DENON is carried, and high output-ization is realized though it is operation of Class-A amplifier as it is. ...

Denon POA

I called DENON and they said there is a difference and I called one of the service centers and they confirmed that there is a seperate POA-2400A manual but they won't help me out. DENON said they were out of stock but would sell me an "A" service manual and they had a cap parts kit on the website until the last update and now even that's gone.
