Hayek and the Common Law (Cato Unbound)

Indeed, it is said that the common law is discovered by judges rather than created by legislatures. The common la Arguably the greatest example of spontaneous order outside the market is the development of the common law, a legal tradition that proceeds incrementally, case by case, privileging precedent and continuity.

Cato Unbound: Hayek and the Common Law – Knowledge Problem

Lynne Kiesling This month's issue of Cato Unbound has a topic that sits at the core of the issues of interest here:

Hayek's concept of spontaneous order, its universality, and its applicability to orders beyond market processes, including the common law. Examples abound. No one individual or committee sets market prices; those who have tried...

Hayek and the Common Law

Cato Unbound. December 2009. December 2009. In his lead essay, lawyer and legal theorist Timothy Sandefur proposes that Friedrich Hayek's understanding of law and justice is flawed: Spontaneous order may be a descriptively accurate concept, but it has little or no effective normative content.
